Offices of the Apartment Association of Orange County

Online Social Networking & Today's Technology

Presented by
Jonathan D. Monte

This seminar provides an overview of today's technology, how to use online social networking and free online services to stand out and stay connected. Designed for the beginner with basic computer skills.

Seminar Includes:

- Differences between the major networking websites ActiveRain, Facebook and more
- How to create an online profile, gain contacts and attract prospects
- Blogging made easy: How to start and maintain a blog
- Create and integrate video within your profile using You Tube
- Technology update to help you better communicate with clients and associates
