How to use CARETS Commercial MLS

Presented by
Carl Peterson

Carl Peterson, Senior Account Manager, will showcase the new CARETS Commercial MLS powered by National Association of Realtor's partner ePropertyData.

CARETS and ePropertyData have teamed up to create a robust, media rich, data driven, property centric commercial MLS system that will put commercial sale and lease inventory, comps and transaction history at your finger tips. Come and learn about this valuable tool that will be included as a free benefit in your MLS membership.

ePropertyData is a leading commercial information exchange provider and provides the software that powers NAR's Commercial Source database. CARETS, California Real Estate Technology Services, provides MLS services to six Southern California multiple listing services for six counties and over 100,000 MLS members.
